Dear Parents/carers,

I hope this message finds you safe and well. As you may know, one of the tasks completed last Saturday was clearing the pond area. The iris roots had been growing prolifically and taking over the pond, but they have now been cut back. We now need to dispose of this waste.

A skip is scheduled to be delivered today and will be placed at the front of the school. This is where the waste will need to go.

If anyone has a wheelbarrow and a few spare minutes after school on Friday, we would greatly appreciate your help moving the waste to the front of the school so it can be collected.

Thank you in advance for your support.

Small school, big heart.

Yours sincerely

H. Bulpitt
