Dear Parents/Carers,

We are always looking at different ways to keep our children engaged and to keep them learning. This year we have introduced the children to a new interactive platform - Doodle Learning

Doodle is individual, it builds confidence and ability in maths, english, spelling and tables by creating personalised programmes tailored to their strengths and weaknesses. Using Doodle for 10 minutes a day is proven to help children make three months progress in one month.

Your child will be coming home with a login card and below is a link to a video with more information.

Support for parents and carers

Link your email address to your child's account by logging in, tapping on the menu arrow in the top lefthand corner and selecting Settings and then selecting Parent details.

Once you have connected your account, you will then be able to view your child's progress by visiting parents.doodlelearning.com or downloading the free DoodleConnect app on Apple and Android devices.

The children are thoroughly enjoying using the platform in school and seeing their successes and I hoping you will witness this at home.

If you have any questions please do not hesitate in coming to see me. Small school  Big heart

Yours sincerely

H. Bulpitt
