Dear Parents / Carers,

**Re: Weather**

Happy New Year! I hope this message finds you and your families safe and well.

I am writing to thank you for your patience and support this week regarding the weather conditions, road safety, and getting the children into school. We are monitoring the forecast closely and are making decisions early each morning after carefully assessing conditions.

We fully understand that driving in these conditions can be a concern, and this is always taken into consideration. With the possibility of snow over the coming days, we will continue to keep you informed and share any updates as soon as decisions are made.

If you have any questions or concerns, please feel free to speak to a member of staff or contact the school office.

Small school  Big heart

Yours sincerely

*H. Bulpitt*
