9th January 2026

Dear Parents / Carers

On **Monday 19th January 2026**, Robins Class will be going on an educational visit to Winchester Science Centre in order to consolidate their learning for our topic this term "Space".

We apologise for the short notice of this trip. Unfortunately, the original date requested was unavailable, and this was the only date we were able to book during this half term.

Children will be required to attend school for registration as normal and the minibus will depart from the school at 09:15am and children will be back in school for the end of the school day.

On this day, please ensure your child comes in to school in full school uniform and brings a water bottle.

As your child is entitled to universal free school meals, a picnic lunch will be provided. If your child would prefer to bring in a packed lunch from home, please tick the appropriate box on the reply slip below.

The total cost of the trip is **£15.30** per child to be paid via Scopay by **Friday 16th January**.

Small school  Big heart

Yours sincerely

H. Silver

Mrs Helen Silver

Class Teacher
